

Our resort is on a level wooded area...

The cottages all face the lake and overlook our spacious lawn. Each cottage is furnished with air conditioning, gas heat, stove, refrigerator, microwave, dishes, cooking utensils, soft water, bed linens, TV, DVD player, and a wooden deck with a gas grill. Two of our cottages have gas fireplaces. We now have wireless internet coverage throughout the resort. *Please bring your own towels, dish towels and soap. No pets please.*
